Make a
Difference
Everyday,
Everywhere

Lions Clubs Fit Your Lifestyle

Lions Clubs International offers a volunteer opportunity that fits your lifestyle. Whether you are looking to lend a helping hand or pursue a leadership role, Lions has an option for you.

Being a Lion allows you to help change lives, and you can commit as much time as you wish and as your schedule allows.

A club's time commitment depends mainly on the service activities they undertake. Long Beach Lions hold twice-monthly luncheon or dinner meetings to plan projects for community service.

Lions Clubs Offer New Experiences

Are you interested in helping others and meeting new people?

As a Lion, you will:

- Help your community and gain valuable skills
- Make an impact on people's lives – locally and internationally
- Learn to be a leader – and lead a respected organization
- Network with business men and women in your community and Lions around the world
- Energize your life and have fun.

You'll grow personally and professionally. And you'll know that what you do is worthwhile and appreciated.

Who Are Lions?

Lions meet the needs of local communities and the world. The 1.4 million Lions members in 210 countries and geographic areas are different in many ways, but share a core belief – community is what we make it.

Lions Serve

Though Lions are well known for successful initiatives in vision health, Lions' service is as diverse as our members. Lions volunteer for many different kinds of projects - caring for the environment, feeding the hungry and aiding seniors and the disabled.

Lions Make A Difference

Lions Clubs International Foundation (LCIF), the official charitable organization of Lions Clubs International, supports Lions' compassionate works by providing grant funding for their local and global humanitarian efforts. Together, Lions and LCIF actively work to eradicate blindness, support youth, provide disaster relief and address humanitarian needs.
